

Gateway To Excellence ....

## Indian School of Business Management and Administration

An ISO 9001: 2008 Certified International B-School

Dear Vivek Holkar,

"This letter is written to express our satisfaction and convey our highest recommendation for the Academia ERP software and services provided by Serosoft to support our process and functional automation objectives at ISBM. Serosoft provided Academia with state-of-the-art technology to manage the complex and dynamic needs of our growing organization, particularly in the areas of admissions, fees management, course progression, inventory management and student information management.

The versatile Academia ERP is an outstanding platform that we customized to meet our particular needs. Serosoft quickly adapted to our expectations by providing the best customer support I have ever experienced. They were always cheerful, easy to contact, and provided solutions to our needs in quick time. This responsiveness exemplifies their dedication to customer satisfaction and their exceptional technical abilities.

All in all, Academia ERP is a top quality product that delivers exceptional value at a competitive price. I highly recommend Serosoft and their Academia ERP for all your education management and automation needs."

Vinay Agrawal

Executive Director,

Indian School of Business Management & Administration.
