**To Whomsoever It May Concern**

*Hello, I am Dr. G. Wiselin Jiji, Principal, Dr. Sivanthi Aditanar College of Engineering, Tiruchendur of Aditnar Educational Institute(AEI). Three years ago, AEI thought to automate various departments and decided to use a modern ERP system for this purpose. We started looking for a proven ERP system that we can purchase off the shelf, which then will be customized to AEI's requirements.*

*Their ERP product- Academia has exceptional capability to automate various educational processes like Admission, HR, Attendance, Timetable, Examination, Asset Management etc. Knowledge and capabilities of team Serosoft are very impressive. Serosoft team clearly grasped our needs and helped us to create an effective and comprehensive system.*

*Apart from being a great product, the after-sales support provided by the team at Serosoft is wonderful which makes the complete process very smooth and hassle free. Serosoft has really stretched to ensure smooth implementation and support.*
