TO WHOM IT MAY CONCERN

Waljat College of Applied Sciences (WCAS) is a private higher educational institution (HEI) that aims to provide high international quality education in Oman. WCAS functions in academic partnership with Birla Institute of Technology, a reputed deemed university located in Mesra, Ranchi, India.

WCAS would like to recommend Serosoft for comprehensive ERP solution (Academia) designed and developed for schools, institutes, colleges and universities. Serosoft proved itself as a reliable professional ERP solutions provider committed to rendering quality services.

WCAS values and expects continued support from Serosoft for long-term business relationship.

For Waljat College of Applied Sciences
